## Financial Arrangements and Office Policy

### **For all patients:**

To keep our fees as low as possible, we have eliminated billing. In order to secure an appointment time with Dr. Martini, *your co-payment is due at the time of scheduling*. If you are not prepared to pay your portion, your appointment will be rescheduled. If you do not have dental coverage, and need financial arrangements, we will make every effort to make your dental treatment affordable. For your convenience we accept Cash, Personal Checks, Visa, Master Card, Discover Card, American Express and Care Credit.

### **If you have dental coverage:**

As a service to you, we will file your treatment with your insurance company. We will estimate your deductible and the portion not covered by your insurance company, however, we cannot be held responsible for the accuracy of the insurance information, nor do we base our recommended treatment on your insurance coverage. You hereby authorize any insurance benefits to be paid directly to the Dentist. You will be responsible for all services not covered by your insurance company.

### **Billing Agreement from Patient:**

After my dental company has paid its portion of the dental services rendered to me at Advanced Metropolitan Dentistry, I hereby give my consent to that office to charge any outstanding balance to my credit card. This balance may include deductibles and denials as well as non-covered services.

We understand that unforeseen circumstances can arise, however, appointments cancelled without prior notice or a "No Show" will result in a non-refundable fee of \$ **50.00 per ½ hour** of the scheduled appointment time. This will need to be paid before further appointments can be scheduled. Three consecutive cancellations or "No Show" appointments will result in dismissal from the practice.

If you are an adult patient with a scheduled appointment, and have a child, please arrange for care of your child offsite. Staff members are not responsible for caring for your child during treatment and we cannot be held liable for an unsupervised child. Children are not allowed in the treatment area or on the patient's lap during treatment. This can be dangerous to the patient and distracting to the dentist. **ONLY PATIENTS WILL BE PERMITTED IN THE TREATMENT AREA.** A tranquil environment will allow us to provide the best treatment possible. Anyone under the age of 18 must have an adult or guardian present in the office for the entire appointment time. Changes in treatment may occur, or unforeseen complications could arise, the dentist will not render treatment if the parent or guardian is not present and the appointment will be rescheduled.

No food or beverages are allowed in treatment area. Please be courteous to others and **turn off cellular phones**, as it disrupts our tranquil environment.
